To Correspondents.
"ERNEST."—Very good. We are unable to get your articles in this number,—will be in our next. Want to hear from you every week.
"TURKEY HUNTER."—By mistake, the article of yours intended to precede the one published, was left out, but will appear next week.
"FASHION HATER."—Your jocular lines are a little too fashion-able. Besides, you mistake us in supposing that we "abominate" hoops as worn by the fair sex. Far from it; nay, we regard them as not only ornamental, but decidedly comfortable, useful and economical. That's our opinion, based upon a slight experience. Send your article to Lucy Stone, and all other such that you may hereafter write. We like wit, when properly used; "abominate" it otherwise.

We are authorized to announce TAZIE W. NEWMAN as a candidate for re-election to the Lower House of our next General Assembly. mar27

To Business Men Generally.—Those who have established themselves successfully in business should advertise to retain that position.
Those who are but commencing business should advertise to successfully establish themselves.

Discreet and judicious advertising is the very life of business. Those who neglect to avail themselves of its advantages injure themselves in trade and consequently bestow the reward on others who advertise.
Read the card of Messrs. Larkin & Robison, of Salem, in this county. We wish them success.

H. Nussauer has received a portion of the large stock of Ready-made Clothing which he purchased while North. We notice that he has beautiful goods, but he says they are nothing compared to what's coming; and the arrival of which will be duly registered in next week's Journal.

Messrs. Handly & Henderson advertise in our columns to-day.—Their stock is a good one, and no doubt in it can be found everything that is necessary in the dry goods line. We are glad to see young men like Baldie and Avery encouraged and sustained, and knowing that they merit success we believe they will ever receive it.

Next Wednesday is the first day of April—"all fools day."

Read the card of Messrs. Harrison, Bessent & Benton, Commission Merchants, Atlanta, Ga.
Also, of Seago, Abbott & Co., at the same place.

All who want tomb-stones, monuments, or anything of the kind, with which to adorn the graves of their deceased friends or relatives, are referred to what Mr. Baker says in another column.

And also read the advertisement of Mr. Charles Schmitt, on the fourth page. We are well acquainted with both of these gentlemen; both are engaged in the same business, and we feel assured in saying that orders entrusted to either will be promptly and satisfactorily attended to.

Tailors, Saddle and Harness makers, Carriage Trimmers, Shoemakers, etc., will find Singer & Co's Advertisement, in another column, worth reading.

MARRIED.—On Thursday, 12th instant, by Rev. J. G. Biddle, Mr. R. B. Cowan and Mrs. Mary Garrett, all of this county.

QUEER RELATIONSHIP.—A widower in Camden, New Jersey, recently married a young girl, and soon after his son, by former wife, married his father's wife's mother. In consequence of these two connections, a father became the son-in-law of his son, and the wife not only the daughter-in-law of her own son-in-law, but still more, the mother-in-law of her own daughter; while the husband of the latter, is the father-in-law of his own mother-in-law to his own father.

A. JOURDAN'S STORE.
WINCHESTER, TENNESSEE.
Why? To purchase the best bargains ever offered in Winchester. He has just returned with a large stock of Christmas Articles, Dry Goods, Confectionaries, Toys and Varieties.

We think he ought to be competent to give satisfaction to his customers both as to price and to a good selection of goods, having had ten years experience in one of the largest houses in Paris, (FRANCE), that great metropolis of taste and fashion.
We would say to the public, if you want good bargains and cheap goods, go and see Jourdan, as there are but few in the money that daily throng his store that are not satisfied with him after giving him a trial.

GROVER & BAKER'S
FAMILY SEWING MACHINES.
Promote the leisure, health and happiness of home.
OFFICES:
No. 714, Public Square, Nashville Tenn.
No. 195, Broadway, New York.
No. 18, Summer Street, Boston.
No. 161, Chestnut Street, Philadelphia.

Reasons why this Machine is Universally Preferred over All Others.
1 Because it is the only Sewing Machine in the world ever invented, so constructed as to fully meet the demands of families for general use.
2 It is very simple and is never liable to get out of order.
3 It makes a seam which will not rip, though every thread stitch is cut.
4 It is not a shuttle machine.
5 It sews with two needles, making any length stitch desired.
6 It sews from two ordinary spools, and thus all trouble or winding thread is avoided while the same Machine can be adapted at pleasure, by a mere change of spools, to all varieties of work.
7 The same Machine runs silk or linen thread, and common spool cotton, with equal facility.
8 This Machine will sew in the sleeves of a coat with the same ease and facility that it sews a straight seam.
9 This Machine can be run to make one thousand five hundred stitches per minute.
10 The seams are as elastic as the most elastic fabric so that it is free from all liability to break in washing, ironing or otherwise.
11 The stitches made by this machine are more beautiful than any other made either by hand or machine.
The price of the Machines at office in New York, range from \$75 to \$150, an additional charge of \$10 is only made on each machine over New York prices at office in Nashville, to defray expenses of transportation &c. to Nashville.
